Petitioning Groups
Alumni Associations
Sectional Chairs
Operations Council
National Board of Directors

FROM: Bob London, National Executive Director

RE: 2020 National Convention - Proposed Amendments

Included for your review are two proposed amendments to the Fraternity's National Bylaws that were submitted to the National Office on or before September 28, 2020. The file is saved as a PDF. You will need Adobe Acrobat's Reader (a free download) to open the files.

With the limited amount of legislation there will be one reference committee with a representative from each region. The additional item of business will be the election of the Alpha Phi Omega Board of Directors. This virtual legislative session is Monday, December 28, 2020, beginning at 1:00 p.m. Eastern Standard Time.

Additionally, regional chair elections will be held Tuesday, December 29, 2020. The time of these elections will be shared in the next two weeks.

Voting delegate training information and access will be available closer to the session. This resource will help delegates better understand logistics of the virtual legislative session, including how discussion and voting will work. Check the [National Convention FAQ on apo.org](https://apo.org) for updates.

We appreciate everyone's cooperation with this virtual legislative session.
